
A Parenthesis In Eternity

The Basis Of Mysticism

The Mystical I

We must learn to live with this *I* in the midst of us, learn to look to It for all inspiration. If we need an idea for a book or for a painting, for business or for law, regardless of what it is, the *I* encompasses it. And this *I* is within us. Then if it is necessary to find a book, a teacher, a publisher—whatever it is— when we turn within, the *I* will appear outwardly as the form necessary to our unfoldment at any moment.

When the Spirit of God takes over in our consciousness, It fulfills Itself at Its own level. That fulfillment may carry us off into a new country or into a new activity—business, artistic, professional, or social—because we have no way humanly of knowing the will of God.

Wherever we are—at home, on the street, or at business—we can make a transition from the slavery of the senses to the freedom of the Soul. It all takes place within our consciousness.

Awakening Mystical Consciousness

The Atheism Of Material Power

Living By The Word

no concern about business except to do what is given them to do each day.

The word of God is the substance of life, and out of this Word comes the flesh of form: your body, your business, your home, your profession, your ability, your customers, your clients, or your supply.

Consciousness Is What I Am

Consciousness

Spiritual Discernment

To live this [oneness], the personal sense of self must stop taking thought, otherwise it is trying to play God, and that is very dangerous. It must stop taking thought as to what the weather, the business, or the plans will be, and let God reveal His will, His plan, His life.

Consciousness Externalizes As Form

God is infinite consciousness, and therefore, our consciousness appears as form infinitely: our business is infinite; our profession is infinite; and if we are in the healing work, our practice is infinite. If we are spiritual teachers, our student body is infinite. There is no limitation whatsoever unless we ourselves accept limitation.

Once we realize that there is not God *and*, we will know that there is not Consciousness *and*. Therefore, there is not our consciousness *and* our business. Our business is our consciousness in specific form.

We are forever lifted above any sense of competition at any level, whether is business, art, science, or in the healing or spiritual teaching ministry [when we realize that] we do not have customers; we do not have patients; we do not have students: we have our consciousness, and our consciousness externalizes as whatever form is necessary to us. No one can take what is ours away from us.

Opening Consciousness To God's Dedication

Our divine Self is knocking at the door of our mind seeking entrance, seeking to consecrate mind and body to Its use instead of to our use or our pleasure, and to take our home and our business and consecrate them to Its purpose.

Consciousness transformed

Beside God There Is No Other

You see how it is that the word *consciousness* sums up everything in our work. It is what you are conscious of that operates in your experience as a law...The law of God that governs the universe must govern our business and our bodies, or there would be something outside the jurisdiction of God's law. As long as we hold to the consciousness that the law of God is the law of my business, whatever is erroneous will be corrected. This same principle applies to the body and health, but if we do not consciously bring the body and business under the law of God, so it will be unto us.

When formerly answering my mail or phone calls, if a student said, "I have a cold," or "I need a job," or "Business is bad," or "I have family trouble," I would reply that I would take care of it, assuming they knew and understood that I was going to take care of a spiritual realization. However, since I discovered that they were perfectly willing to stay in the attitude of problems and demonstrations, I stopped that practice about a year ago [circa 1963]. It is a form of metaphysics I do not understand. All I can do is try to lift you into a spiritual consciousness where you become aware of the presence of the Christ. I can do nothing about those other things.

Always there will be the sufficiency of grace to meet the need of this moment; and, on the spiritual path, you have no right to live one moment ahead of this moment. You plan meetings ahead or you make travel arrangements or you plan business affairs in advance. Certainly, but without burden and without problems because from one moment to the next there is sufficient grace to meet that moment. This is all you need—this is all anybody ever needs—enough grace for this moment...There is also a sufficiency of god's grace for your patient or for one hundred patients.

Until such time as the spirit itself says: “Leave all for me: or Leave your nets,” no student should ever forget his duty to his family, to his business, to his human interests. Rather he should make his study and his meditations the foundation for the more harmonious functioning of these facets of his life.

While walking down the street or driving a car, there must also be the conscious realization that the peace which you have found will envelop those who surround you, whether in the home or in business or on the highways. If you are not sharing the consciousness you have found, it remains locked up inside of you and cannot function. You can only get in proportion to your giving.

Consciousness Unfolding

Peace

The Inner Meaning Of The Temptations

Beginning today, at this very moment, remember: It is your consciousness [when it is imbued with silence and with peace] that does the work for your family, for your business, for your home, for your body. It is not some far-off God.

Treatment As Silent Listening

Treatment must be a turning to the Father within, asking, ” What is the truth about business, about body, about health, about my neighbor, about the universal belief of war?” and then letting the divine Consciousness tell it to you.

God, The Substance Of All Form

Building The New Consciousness

Birth Of The Christ In Individual Consciousness

It becomes necessary to gain the conscious awareness of the presence and power of God, acting and appearing as our individual consciousness, and to know that this consciousness is the law, substance, and reality of our universe, whether appearing as our body, our business, or our home. Where we have failed is in our lack of recognition of this truth, and our lack of recognition is because the human mind rebels at this truth which annihilates the supposititious power which the mind has assumed.

Business As An Activity Of Consciousness

You must *consciously* realize each day that business is an activity of God operating through the instrument of the one mind and is, therefore, an ever present activity of my mind...Only as I associate my business with God’s business, does it become individually expressed, harmoniously and joyously evident.

The Activity Of Truth In Consciousness Unfolds As Your Good

It is the activity of your consciousness which appears as the health of your body, as business opportunity, at the right knowledge at the right time, as the meeting of the right person at the right time and under the right circumstances.

Nature Of Consciousness

By becoming aware of the infinite nature of your being as consciousness, you begin to realize that it is your consciousness which embraces and embodies everything in your experience—your body, your home, your business, and all the affairs that concern you. It is this consciousness which you are that governs all these activities.

Overcoming The World

This body is not a power over me. I am the life and the mind, the intelligence and the directing power of this body. Not I, a human being, but I, the divine consciousness of Being, govern this body, this business, this home, this teaching, and this anything that comes within range of my consciousness.

Living Between Two Worlds

Choose You

Choose To Accept Omnipresence As The Only Presence

Are you in bondage to any form of lack or limitation...unhappiness...ill health, to old age? Then you are in bondage to it because you are not consciously knowing the truth. You are not consciously embodying within yourself the acknowledgment of God's presence within you, God's power within you, the omnipotence of God functioning as you, the omniscience and the omnipresence of God where you are...in your soul, in your mind, in your body...in your business whatever work you may be. Always acknowledge God as the Source.

Man Was Not Born To Cry

The One Great Demonstration

The One Great Demonstration

When our eyes are closed and we are in the darkness within, we find the entire kingdom of God there, ready to pour Itself into our mind, our body, our home, our business, and even into our purse.

Spiritual Principles Related To Business

If God, the Father within, does the work, how can we feel any pressure in our business?

If we were to adopt the role of a beholder in our business and were to watch the activity of this Infinite Invisible unfold, we would soon find that It would unfold as whatever was necessary to Its fulfillment.

The Mystical I

Do Not "pass By On The Other Side"

The Circle Of Christhood

Even though you are of the circle of Christhood, you will be living in the world of business, art, literature, government, or religion in order that this light may shine, in order that you may continue to lift up the son of God in all men. You lift it up by beholding the Christ in individual consciousness and as individual consciousness...there will be a flicker of an eyelash, a second of recognition, and you will have lifted up the son of God in man. Thus you will not only be more solidly embodied in the circle of Christhood, but you will be drawing into that Circle those who have been outside, the branch of a tree that has been cut off and is withering and dying.
