## A PARENTHESIS IN ETERNITY

Chapter: The Basis of Mysticism

Topic: *The Mystical I*

We must learn to live with this *I* in the midst of us, learn to look to It for all inspiration. If we need an idea for a book or for a painting, for business or for law, regardless of what it is, the *I* encompasses it. And this *I* is within us. Then if it is necessary to find a book, a teacher, a publisher—whatever it is—when we turn within, the *I* will appear outwardly as the form necessary to our unfoldment at any moment.

---

## BEYOND WORDS AND THOUGHTS

Chapter: God Revealing Himself As Christ on Earth

Topic: *The Infinite Nature Of Consciousness*

1963 Kailua Private Class

523:1 or 524:2

God did not give man a mind: the mind of God becomes the mind of man, and it is for this reason that we can receive impartations of a spiritual nature from within if we are interested in the spiritual things of life, or that we can bring forth ideas for telephones, radios, television, automobiles, airplanes, and all the things that have not yet been discovered if that is the direction in which our talent lies. Why? Because they are embodied in our consciousness.

---

## CONSCIOUSNESS TRANSFORMED

Chapter: The tree of life

Topic:

3/10/63

I have told the experience of a mother and daughter who attended my work in a city and who, after I left town, began writing songs. . . and before the year was over they had four songs being played on radio throughout the nation. This was the fruitage of their becoming consciously one with their source.

Chapter: the word becomes flesh

Topic:

1963

As spiritual students, we must never do anything without turning within, and then we must listen. Train the student never to move or do anything without this inner guidance. No matter how good you are in anything, did you first turn within and get inner guidance?

---

## GOD, THE SUBSTANCE OF ALL FORM

Chapter: Developing a Healing Consciousness

Topic: *Business As An Activity Of Consciousness*

1949

God is the only employer and God is the only employee, and furthermore, God is always employed in great action, in great works, in great ideas.

You must *consciously* realize each day that business is an activity of God operating through the instrument of the one mind and is, therefore, an ever present activity of my mind. . . Only as I associate my business with God's business, does it become individually expressed, harmoniously and joyously evident.

---

## LIVING BY THE WORD

Chapter: Spiritual Discernment of the Bible

Topic: *Our Good Unfolds From The I Within*

1964 Manchester Closed Class

559

If we were composers of music. . . where would we go for the composition? Surely, not to the libraries to copy what somebody else had composed, but within our own consciousness where we have every right to expect something new, something heretofore unheard of to unfold. Why not? The nature of God is infinity. There must be an infinite number of melodies never yet heard by man, an infinite number of combinations of notes never before written down.

---

## OUR SPIRITUAL RESOURCES

If I wanted to compose music or write a book or a play, I could best bring the activity of the Christ into my experience, first, by consciously realizing for a few moments that the substance of this new form is already within my own being, that it is mine as the gift of God, and then, by becoming very still, very quiet, and very peaceful in the assurance that this idea will become flesh in the form of notes or words, and, thereby, tangible in my experience.

---

### **REALIZATION OF ONENESS**

### **THE INFINITE WAY LETTERS 1955**

Do not speak, or write or teach until His voice utters or His pen writes. . . when nothing comes, be still.

---

### **THE INFINITE WAY LETTERS 1956**

You can face any problem or task in the realization that you do not face it alone. . . He permormeth. . .

---

### **THE INFINITE WAY LETTERS 1959**

Acknowledge God as the very life and intelligence of your being, that which gives you all that you can offer to the world, that which gives the world its art, literature, poetry, science, wisdom, intelligence, guidance, and strength.
