
A Parenthesis In Eternity

*Living The Mystical Life
My Kingdom Is Not Of This World*

How can we use a power over a nonexistence?...The instant we accept God as Omnipotence, our problems begin to fade away.

If anything is to take place in what we call the future, it has to be a continuing of the presence of the God of now. The only way to bring ourselves under God's law is to give up both the past and the future and align ourselves with God through the realization of Omnipresence, Omniaction, Omnibeing, all here *now*.

The Nature Of Spiritual Power

If God is omnipresence, we must be the very presence of God. That must mean that there is no other presence, and we, then, have no presence...If we are the presence of God, we must act like it. We never will live by Grace until we make that acknowledgment.

If we fill ourselves with the conviction of the omnipresence of God, the very atmosphere around us is charged with spiritual power, and those who walk into that place feel its healing influence.

We can know Omnipotence, but we must know *Omnipresence* to put the seal on it. We can know that God is infinite, all-power, all-good, all-life, all-wisdom, but then we have to conclude with, "And I am the presence of that. That constitutes my being. That which I have just declared about God is the truth about me. Since I already am the presence of God, I do not have to look for any more God-power than I already embody.

Awakening Mystical Consciousness

*Releasing Spiritual Power
Realizing The Presence Of God As Omnipresence*

When we are in meditation, we are not realizing the presence of God is us, but Omnipresence.

Beyond Words And Thoughts

*Incorporeality: God, Man, And Universe
God Reveals Itself In A Moment Of Unknowing*

If I am to acknowledge God, I must acknowledge incorporeal God, and that means not only that I cannot embrace God in a figure or form, but I cannot even embrace It in a mental image. I dare not even name It because if I call It "Spirit" or "Mind," I have made an image of what I think God is. Even if I call It "Love," I have made an image...The only way in which I can know God is by knowing that I cannot know God, that God cannot be embraced in my mind, and that God is. Once you acknowledge that God *is*, you are inferentially declaring that God is infinity, God is omniscience, God is omnipotence, God is omnipresence...All you will even know about God is the word *I*.

The Demonstration Of The Christ

The demonstration is not really the second coming of the Christ: the demonstration is our recognition of the omnipresence of the Christ.

God is omniscience, and when God has a child, it is for a specific purpose. There is something definite in mind with every individual offspring, something that he was actually sent into expression to do.

Consciousness Is What I Am

Invisible Life Fulfills Itself Tangibly And Visibly

Omnipresence means the omnipresence of Spirit, the omnipresence of the Source, of the Law, and of Life, not the omnipresence of any form...True [roses] are always here in their spiritual essence, but not in manifested form.

Our responsibility is to be still and let Omnipresence flow. We need not take thought or plan anything; we just live whatever flows through, which will be every quality of God. Why? Because that is what we are entertaining in consciousness: God. We do not have to think thoughts of generosity, forgiveness, or abundance. We have only to abide in Omnipresence, Omniscience, and Omnipotence, and when we do that we lose all capacity for anything but God, and God flows through. We find ourselves being loving, generous, kind, and pure, but we have not had to take thought about it.

The Impersonal Nature Of Error

You cannot meet a problem on the level of the problem. If you treat a cold as a cold, it will get the best of you. Do not believe that a cold is a cold: a cold is a belief in two powers, a belief that there is God and another power...It is a temptation to believe that God is not the substance of all form, that God is not Omnipotence, and there is some Power you have to call up to do something.

Consciousness transformed

Christ: The Unfoldment From Within

God knows nothing about Sin, disease, or lack. If He did, they would be embodied in your consciousness as part of omnipresence, and you could not escape them.

You have to remember that when you meditate, pray, or treat..you must start out with this realization: Since omnipresent omniscience already knows everything, you cannot inform Deity, you cannot tell God, you cannot ask anything of God, you cannot desire anything because you are always faced with omnipresent omniscience, the all-knowing...With no communication on your part to God...you let it function. When you have arrived at that place of recognition that God is on the field, you are a beholder and you are then curious about tomorrow and you awaken with this sort of an idea: "What hath the Lord done for me today?"..You begin a whole new activity in consciousness, that of a complete settling into omniscience, omnipresence, omnipotence and then letting it function.

Consciousness is not embodied in your body, because your consciousness is actually omnipresence. Your consciousness is not confined to time or space (and always remember why), because I and the Father are one, not two, and all that is true of the Father is true of me.

The moment you are called upon for help in any part of the world and you close your eyes to realize omnipresence, you can be certain that your patient anywhere in the world will receive your treatment...Since God constitutes my consciousness, and God constitutes your consciousness and the consciousness of every individual on the face of the earth, I am one with everybody.

Come up from orthodoxy and metaphysics. Come up into mysticism and trust in omnipresence, omniscience, omnipotence.

“Thou wilt keep him in perfect peace, whose mind is stayed on thee.”..Who is “Thou”—God or Christ? No, *you* is thou..*Thou* is consciousness, my consciousness, the divine consciousness which bestowed upon me in the beginning. That *thou* will keep me in perfect peace if I keep my mind stayed on this truth, the omnipresence, the omniscience and omnipotence of this *thou* within me, this divine consciousness.”

We postpone our own God experience. This is either because of ignorance or because we have been so conditioned that we cannot release God in the understanding that God is omniscience and knows all there is to be known, God is omnipotence and is not fighting with any other powers, and God is omnipresence, and therefore does not have to be sent for. To be able to believe this enables the seeker to come into an atmosphere of receptivity.

Illumination consists of spiritual discernment that sees through the appearances and sees omnipresence, omniscience, omnipotence...[It] does not react to appearances but can rest and say, “What did hinder you?” or “Arise, take up thy bed.” The difficult part is this: God is always God, but not separate and apart from my being, or your being, or his being, or her being.

What is the miracle? You do not set God at work or to work; you do not bring the power of God into any situation. God was there before you because of omnipresence. It makes no difference if you had a wrong thought this morning or if you committed a wrong deed yesterday. It has nothing to do with what is going on in God’s universe because it is not your purity that makes God work. It is God’s function. God’s grace is not dependent on how good or how spiritual you are. God’s grace is dependent on how good God is, and any saint or sinner can behold God at work once their eyes are open to omnipresence...Every problem has its foundation in the belief of the absence of God...The beauty is that, in spite of appearances, nothing else [but God] *is*.

Always remember that it is the acknowledgment that brings the experience. If I acknowledge a sufficiency of God's grace in this moment, I have it! If I do not acknowledge it, I virtually deny it...You must be a law unto yourself by the truth you know and, if you are not as yet aware of the omnipresence of a divine grace sufficient unto this moment, become aware of it and live with it. Then you will realize how your life is lived not by might and not by power, but by grace.

See what happens if you put more effort into accepting omniscience, omnipotence and omnipresence when you meditate, and break the habit of reaching out to God to do your will or fulfill your desires. God fulfills itself as you and as your experience—if you give god the opportunity.

The times in which we have failed in this realization [of oneness] just means we have to go higher in consciousness until we attain such a consciousness of omnipotent omnipresence as the very nature of our own consciousness, that we will stop trying to be healed either by God, a doctor, or by medicine or by metaphysical treatments. Instead, we will *let* “nothingness become nothingness.”

In The Infinite Way we go a step further. We recognize divine consciousness as omnipresence, and therefore we do not set aside a specific time to unite with it. Why? Because it is *always* omnipresence. I am in meditation twenty-four hours a day, even when I am asleep.

Think! If *I* am God, this *I* is already closer than breathing; and because we have discovered that its nature is omniscience, the all-knowing, it must already know your needs. Its nature is omnipresence so you need go nowhere to contact it, and because it is omnipotence there is no power to oppose its will. What else is there to do but be still! If your child were ill or in trouble, what greater love could you display than to sit down, be still, and let the presence of God do its work, let the love of God be made manifest, let the power of God flow? Do you not see how egotistical it would be to go further and do something for your child, your patient, or your friend?

We knew we had no power over the earthquake or over the tidal wave [which was reported to hit Auckland on the day of Joel's arrival.] However, by opening our consciousness to the realization of omnipresence, omnipotence, and omniscience, the presence and power of God was released into the situation. The earthquake did happen out in the ocean [as predicted], but the tidal wave was dissipated before it reached New Zealand...It was not that our prayers had power, but that the opening of consciousness to the presence of God brought forth the power.

How long it takes to accept the fact that God is my being as well as your being, and that God is your friend's being and your enemy's being is the difficulty that constitutes part of the initiation...[and] until you can see that, because of the impersonal nature of God, omnipresence means fulfillment is here where I am, you cannot even enter in. In the same way, until you stop blaming someone or something and realize that what you are fighting is the arm of flesh or nothingness and that you never did have a chance for victory, you cannot enter in.

When you discover *I* in the midst of you, there is no wishing or praying to be done. There is just a life of thanksgiving. It is never necessary to ask for anything you need, because the nature of *my* kingdom is omniscience– the all-knowing. It needs no assistance or help because it is omnipotence, and it is not necessary that you go anywhere [to get it] because it is omnipresence...The kingdom is within you and a king is never outside of his kingdom.

You have really summed it all up if, occasionally, you have looked down in the area of your chest and said: “Thank You, Father, for thy omnipresence,” or thy omnipotence, or thy omniscience.

The prayer, meditation, or treatment of a metaphysical practitioner does not destroy disease, poverty, accident, lack, or limitation. It reveals the illusory nature of these, and in doing so it reveals the omnipresence of God.

In bringing the experience of pure meditation to yourself, remember that it is legitimate to think thoughts for a few minutes in what we call contemplative meditation. Silently we acknowledge the omnipresence, omnipotence, and omniscience of God, but this should only last for five or ten minutes, until you arrive at pure meditation which has no words and no thoughts.

Consciousness Unfolding

*God Revealing The Infinity Of Being
Love Is The Basis For All Relationships*

By the time we have finished thinking about Love [and Its properties, qualities, influence, and omnipresence] the telephone should be ringing with someone at the other end telling us that there has been a reuniting.

God, The Substance Of All Form

*Good Unfolding As The Activity Of Individual Consciousness
The Activity Of Truth In Consciousness Unfolds As Your Good*

Under whatever circumstances there seems to be a need for the omnipresence of God, realize that *it is the omnipresence of your individual consciousness that is the God of your universe.*

The Leavening Influence Of Truth

The purpose of your study is so to lift consciousness that this sense of Omnipresence is attained. When that is attained, healing work is done with a smile, not with strenuous thought-taking. Supply, wholeness, completeness –everything comes with just a smile. It is a peculiar little smile, but it is God, and it knows the nothingness of that which appears as a human being.

You will find that three-fourths of all you read about truth is forgotten when once that sense of God as Omnipresence becomes apparent.

Consciousness Unfolding As Form

You begin to see that wherever you are is “holy ground,” and that the Omnipresence with you, the Omnipresence *as* you, has everything necessary for the fulfillment of the moment...Whatever the need, you find it fulfilled in the Omnipresence which you are, never dependent upon person, place, thing, circumstance, or condition.

Living Between Two Worlds

Choose You

Choose To Accept Omnipresence As The Only Presence

Are you in bondage to any form of lack or limitation...unhappiness...ill health, to old age? Then you are in bondage to it because you are not consciously knowing the truth. You are not consciously embodying within yourself the acknowledgment of God's presence within you, God's power within you, the omnipotence of God functioning as you, the omniscience and the omnipresence of God where you are...in your soul, in your mind, in your body...in your business whatever work you may be. Always acknowledge God as the Source.

Material Sense Is A Sense Of Separation From Consciousness

Regardless of what human situation or condition may arise as a temporary experience, we will have no fear because we are living in Omnipresence, knowing that since we have no will of our own, we have no doubt that Infinity can perform Its plan through us.

Whatever Omnipresence is, It formed the universe.

Living Now

Beyond Words And Thoughts

Disease Is Not God-ordained

Omnipotence makes evil an impossibility

Living The Infinite Way

God Is Omnipresent

There is only one truth, Omnipresence, and that truth has been revealed, not only for thousands of years before the Master, Jesus Christ, but it was so marvelously revealed by him, that we of the Western world have come to accept it as authority. But we deny it in our own experience.

Every time you think thoughts of hopelessness and despair, it is as if you are acknowledging that you are a branch cut off from the vine, and the vine from the husbandman, and that you cannot reach either; yet all of the time *it* is right here where you are. *It* is within you, and *it* is *Omnipresence*.

Man Was Not Born to Cry

*Bringing Grace Into Active Expression
Across The Desk*

Limitation exists only in the dream of life, not in Life Itself. Fear exists only in the dream of two powers, not in Omnipotence. Disease exists only in the dream of mortality, not in the immortal Being which you are and which I am.

An Intellectual Knowledge Of God As All Is Not Enough

If the truth of God as Omnipresence, Omnipotence, and Omniscience could be realized— not mentally stated or agreed with, but realized—that is all that would be necessary for the establishment of harmony in our being.

Our Spiritual Resources

*Bringing God Into Daily Experience
God Appears As*

Jesus himself did not multiply [loaves and fishes]. He realized God as Omnipotence and Omnipresence, and that realization translated itself into what we understand as the practical things of daily life.

God, The Only Power

That can be the only meaning of God—infinite Power, Omnipotence, which rules out the possibility of there being a material or a mental power.

The belief in two powers cannot operate in a consciousness that has realized God as Omnipotence and Omnipresence.

Abide In The Conscious Realization Of Omnipresence

If you abide in the conscious realization of Omnipresence and stop trying to get God to do something for you, you will come into the benefit of the God-presence and the God-power which is never separate or apart from you.

Attain The Consciousness Of The Principle

The way to harmony...is not found by invoking a God-power, because this God-power already is omnipresence, Omnipotence, omniscience. It is already active where we are.

Begin To Pour

You have the very Spirit of God in you—all of it, not just a part of it, for you cannot divide Spirit, you cannot divide Soul...because of Omnipresence. There is only All-Presence.

The Altitude Of Prayer

Living By Prayer

A Realization Of Omnipresence, Omnipotence, And Omniscience Is True Prayer

Omniscience proves we don't know how to pray or what to pray for.

Practicing The Presence

Omnipotence: there can be no power of evil to fear.

Omnipresence: whatever you are thinking of is already present.

A New Concept Of Supply

The secret lies in the acknowledgment of God as Omnipresence, the presence of your very being.

The Contemplative Life

Contemplative Meditation

Beginning The Journey Back To The Father's House

With this realization [of Omnipotence], we instantly lose our fear of material conditions, forces, or powers, and even our fear of mental forces or powers. We rest in the assurance that since there is but one power, we have nothing to fear.

Never Believe That You Know What To Pray For

You can be Omniscience only when you are completely absent from the personal sense of self, when you are absent from any knowledge, when you have attained that place of unknowing in which you definitely know that you do not know, and do not even want to know, but are willing and open to receive spiritual wisdom, spiritual guidance, spiritual strength.

Put Up Thy Sword

At any moment that a problem of any nature begins to come to your attention, instantly remember that you are not to take up the sword—not the mental sword or the physical sword—but that you are to relax and resist not evil in the realization of Omnipotence. The next three or four days of your life may be very miserable because when you begin a work of this kind, it seems...that two or three devils manage to find you, and each of them has two or three temptations for you.

Practice But Do Not Preach

Every time that some evidence presents itself to you of an erroneous form of power, realize within yourself that this cannot be true if Omnipotence is true. Every time something presents itself to you of an erroneous or destructive nature, realize within yourself that, in the light of Omnipresence, this presence cannot be. Whenever any temptation comes to you to go to God and tell Him something about your problems, immediately bring to your thought the word Omniscience—all knowledge, all wisdom—and remind yourself that God already knows all.

The Mystical I

An Act Of Commitment

Violating Spiritual Law Breaks The Rhythm

Every time we violate spiritual law, the rhythm [that forms and sustains creation] is broken, and we violate spiritual law every time that we do not acknowledge God as Omnipotence, Omniscience, Omnipresence, and every time that we do not love our neighbor as ourselves...[or] accept a mind other than the mind of God.

Living Out From Omniscience, Omnipotence, And Omnipresence

The only form of prayer acceptable to God is absolute silence, a relaxing and a resting in the conviction of God as Omniscience, Omnipotence, and Omnipresence.

We are never to seek the power of God, for in the realization of Omnipotence and Omnipresence there is no time in all of history where a power has been needed.

I Is Omniscience, Omnipotence, And Omnipresence

Any legitimate need of any nature that ever appears in your experience can be immediately fulfilled as long as you do not think of it as a material form. Think of it as the grace of God, the omniscience of God, the omnipotence of God, the omnipresence of God, the spirit of God in man, and then let That take whatever form It will.

For many of us it has been easy to accept God as Omnipotence, Omniscience, and Omnipresence, not knowing that we were leaving ourselves locked out in the blizzard. But *I* is that omnipotence, *I* is that omniscience; *I* is that omnipresence. Abide in this word *I*.

I am invisible; *I* am omnipresence; *I* am omnipotence; *I* am omniscience. You prove this by not taking thought, by being still, and be letting the Omniscience that *I* am reveal to you whatever wisdom, guidance, or direction is necessary at this moment. You prove this by being still in the listening attitude, letting Omnipotence prove Itself to be the only power. You prove this by taking no thought for your life or anything that concerns you life, and letting Omnipresence prove Omnipresence.

The Universality And Omnipresence Of The Presence

When this Presence announces Itself to you in an inner assurance that It is present, remember that this means not only Its presence in you, but Its infinite omnipresence...It is announcing that this *I* is present in you, present in me, present in him, present in her, present in it. In other words, you cannot "finitize" God; you cannot channel God to be in one person or in one place.

Evil, A Universal Hypnotism

God is the only power, regardless of appearances, and God is omniscience, all-wisdom. Therefore, we do not have to know anything about the activity of mind or body; all we have to do is to rest in God's omniscience, rest in His infinite wisdom. As we abide in Omniscience, Omnipotence, and Omnipresence, we can state with conviction, "Ah, yes! There is no presence and there is no power other than God, and this that we call the belief in two powers—the carnal mind—this is not power. This cannot operate in or through man."

The Annunciation means the conception of Christ in you. Your recognition of this truth is the birth of the Christ in you. But when you accept this, do not forget that it is not complete until you have followed up the omnipotence of *I*, which is the first principle of The Infinite Way, with the second, which is the nonpower of that which is appearing as the world of effect.

The more aware you become of the nature of God as Omniscience, Omnipotence, and Omnipresence, the more aware you become of the nonpower of this world of effect.

These arrows, these poisoned darts, these germs, these bullets, these bombs: they are shadows. They are beliefs in a power apart from Me. They are a universal belief in two powers. Believe in Me as Omnipotence.

When you learn to impersonalize evil, you do not have to call upon a God-power. You can accept God as Omnipotence, but only if you can see so-called evil appearances as *maya* or illusion, and then not try to get God to do something to them...The spiritually illumined know that there is no need to call on God for anything because God is always about His business.

Pandora's Box

The truth is that no individual has power because *I* am all-power, *I* am omnipotence...When you know the secret of *I*, you abide in stillness and let *I* do Its work: not you – *I*, that *I* that is in the midst of you.
